<u>REMARKS</u>

Applicants thank the Examiner for the telephone discussion on March 6, 2009,

regarding the clarity of the proviso. The substance of the discussion is provided below, and

claim 1 is further clarified as discussed during the telephone discussion.

The Office Action alleges that the proviso regarding Y¹¹ is improper and confusing in

claim 1, i.e., that there is an "if" but no corresponding "then" clause. As discussed, the

proviso first recites the "then" clause and thereafter the corresponding "if" part. In this regard

the proviso is amended to further clarify the same, but without any substantive change to the

scope thereof.

In view of the correct reading of the proviso, it is clear that the prior art rejection is

also moot for the reasons discussed in the last reply.

In view of the rejections having been made in view of an incorrect reading of the

proviso, a next Office Action, if any, should not be made final.

The Commissioner is hereby authorized to charge any fees associated with this

response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/Csaba Henter/
